Next steps for the drafting and review of the DIMCG report

Miguel Tahoces

8th meeting of the Debt Issuance Market Contact Group
16 June 2021

ECB-UNRESTRICTED

Introduction

- The ECB team presented the outline of the report for the three different pillars during the 6th and 7th meetings of the DIMCG
- DIMCG participants were invited to comment and agree on these draft outlines via written procedure. Based on the feedback received, the ECB team has prepared a first draft of the full report (version 0.1)
- This presentation aims at providing the drafting principles as well as the **current status of the DIMCG report** and highlighting the **next steps for its drafting and review**

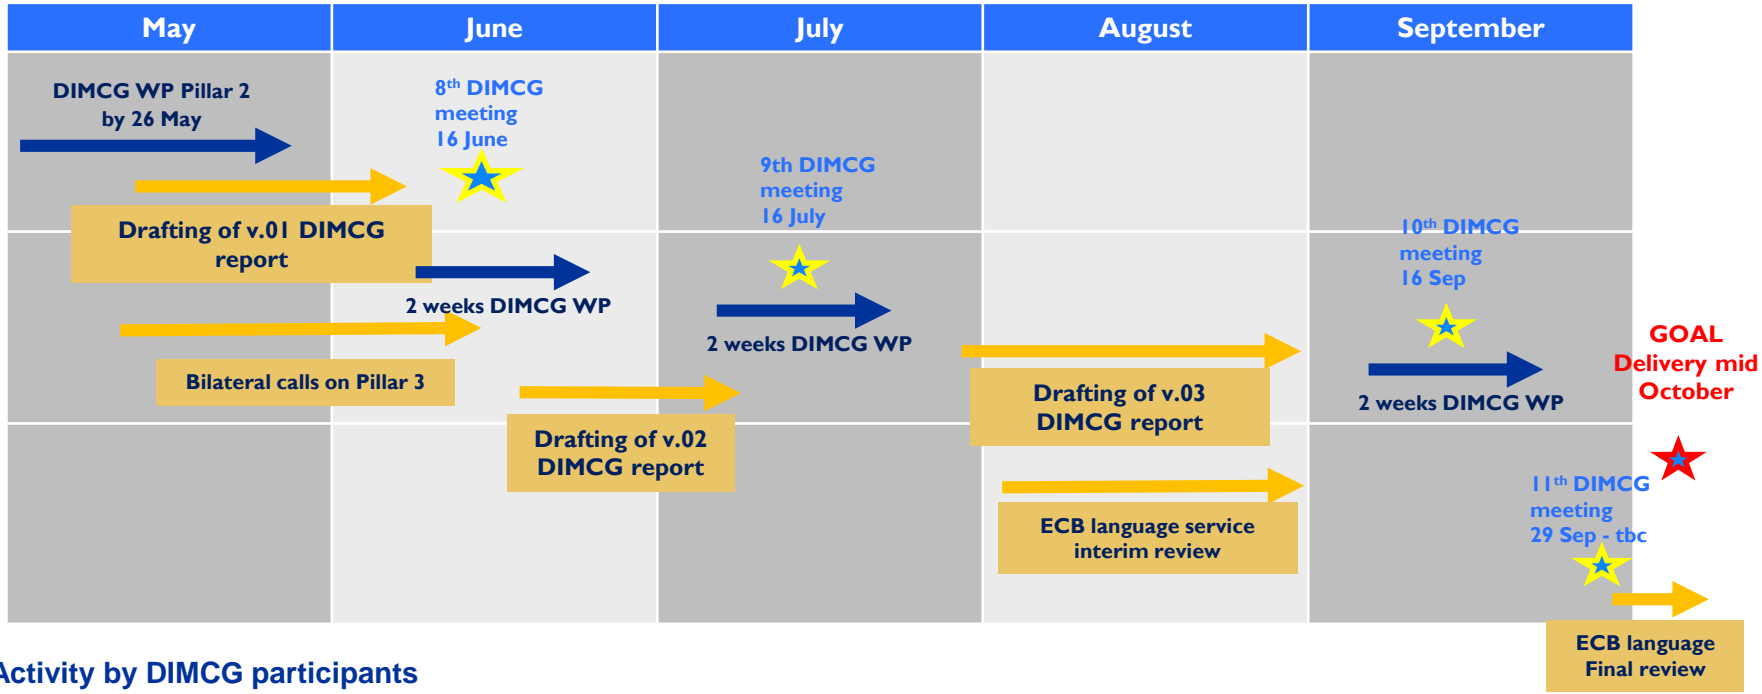

Principles for the drafting and review (1/2)

- ECB team to provide **three draft versions of the report** for discussion on each of the next DIMCG meetings:
 - **16 June – v0.1**
 - **16 July – v0.2**
 - **16 September – v0.3**
- Draft versions to be delivered one week before each meeting. DIMCG participants will be invited to provide comments during the meeting and via written procedure by one week after the meeting (two weeks total)
- Comments to be provided via predefined excel template to facilitate efficient monitoring and tracking of input received

Principles for the drafting and review (2/2)

- DIMCG participants will be invited to focus on the **content** of the report. Editing services to be handled via a specific ECB area in two steps:
 - Interim update on v0.2 in August
 - Final update on final draft version beginning of October

Timeline
